SIXTH ANNUAL

SALE CATALOGUE

**Parkdale Short-Horns**

AT PARKDALE FARM

**JUNE 13, 1906.**

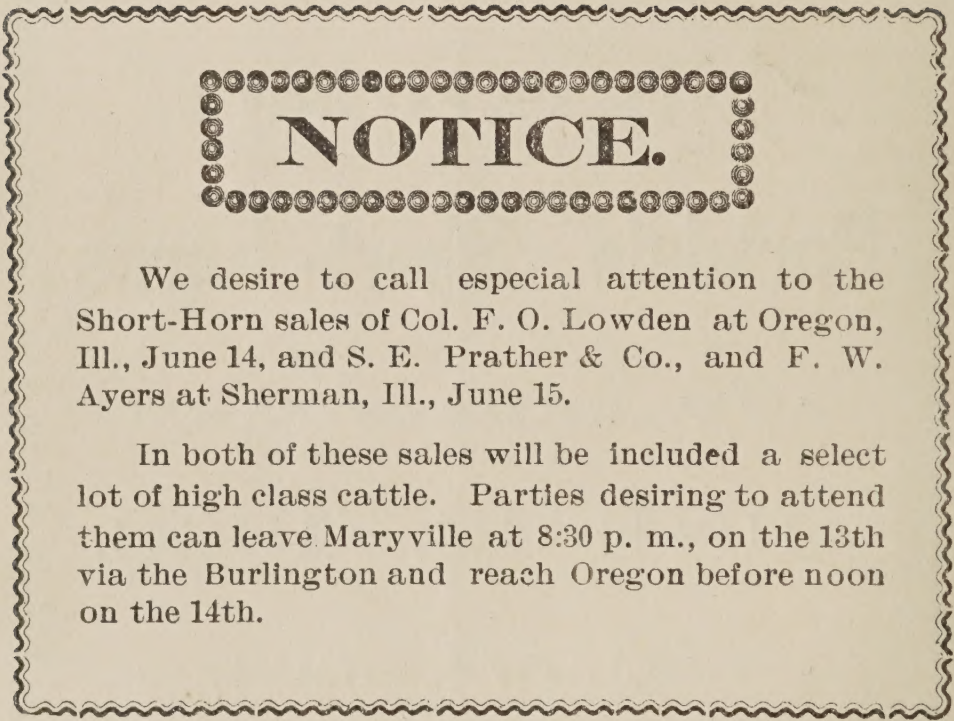

BELLOWS BROS.,

OWNERS,

MARYVILLE,

MISSOURI.

## NOTICE.

We desire to call especial attention to the Short-Horn sales of Col. F. O. Lowden at Oregon, Ill., June 14, and S. E. Prather & Co., and F. W. Ayers at Sherman, Ill., June 15.

In both of these sales will be included a select lot of high class cattle. Parties desiring to attend them can leave Maryville at 8:30 p. m., on the 13th via the Burlington and reach Oregon before noon on the 14th.

# ANNOUNCEMENT.

**O**UR sixth annual sale of Scotch and Scotch topped Short-Horns includes a class of cattle that for individual merit, breeding and general usefulness will, we believe, maintain the standard which we have endeavored to establish for these annual events.

In selecting the cattle for this sale, we have adhered strictly to our established policy to offer nothing but reliable animals. With us the breeding of Short Horns is a life work and it has been our plan to put these annual sales upon a basis that would establish confidence with the public to the extent that the beginner, or any one unfamiliar with pedigrees, etc., could attend these annual sales and feel perfectly safe in buying any animal they might select.

The success and satisfaction reported by customers at our former sales, is the best evidence of the fact that those who buy at our sales secure good values for their investments.

In bulls this offering is decidedly attractive and we believe that any one looking for a herd bull of the right stamp will do well to attend this sale. The females are a decidedly useful lot, including TWENTY-FIVE COWS WITH CALVES AT FOOT, and most of them rebred to some one of our select lot of herd bulls, which we think are as good as are to be found at the head of any other herd.

The cattle are in only breeding condition and buyers will find them the profitable kind to start new herds with or to add to herds already established.

The illustrations, of the cattle to be sold, were made by Mr. H. L. Richie, of Mt. Washington, Mo., and cuts will go to the buyers.

All cattle will be loaded on cars here but will be at owner's risk as soon as bid off.

Sale at 1:00 p. m. at Parkdale Farm, adjoining town. Visitors will be entertained at hotel Linville, as our guests, without charge. Free conveyance from hotel to farm and return.

## GUARANTEE.

Cows with calves at foot or known to be well forward in calf are considered breeders, and no further guarantee on such are given. Should any bull or heifer, sold as a single lot, fail, after six months trial, to breed, they will be taken back, if in as good condition as when sold; and if in our hands they fail after due trial to breed, then another animal as good will be given in exchange, the purchaser to be at expense of shipments.

CERTIFIED copy of record will be furnished for each lot sold.

TERMS:—CASH. Parties desiring time will be accommodated if satisfactory arrangements are made with the clerk before the sale.

Maryville is 90 miles southeast of Omaha on the Wabash R. R., and 60 miles south of Creston, Iowa, and 40 miles north of St. Joseph, Mo., on the Burlington R. R. The Chicago and Great Western crosses the Wabash at Conception, 14 miles east of Maryville. See time card on back of cover.

**HAMPTON'S BEST**—Is a bull for which we feel we are justified in making some strong claims. As a breeder his ability to transmit his individual excellence to his offspring, has been amply proven. Individually he is a bull of wonderful substance, extraordinary constitutional vigor and unsurpassed digestive and feeding qualities. He is a great natural flesh carrier, and for uniformity and thickness in conformation is practically beyond criticism. A careful study of his pedigree will convince any student of Short-Horn breeding that through his veins course much of the blood that for a quarter of a century has held the popularity of the best Cruickshank Short-Horns in America. He has become one of the truly great sires of the breed. In fact the record of his get during the past three years in class and group contests shows him to be the greatest sire of prize winners of any bull of the breed of his age.

NOTE:—Royal Hampton is believed to be the best Scotch bull, sired by Hampton's Best, we have ever bred. He is a beautiful red and possesses the thickness, depth of flesh, substance, early maturity and easy feeding qualities for which the get of Hampton's Best have become noted. He has a great breadth of front, carrying his thickness from end to end. Has a remarkably smooth shoulder, is very thick over the crops, extra full heart girth, has a strong, well meaty back and loin, good, level hind quarter, smoothly finished at tail head, thighs thick and well let down to hock, is a low, full flanked fellow, and considered from every standpoint, we doubt if we have ever produced a Cruickshank bull of greater value as a prospective herd header. His pedigree, when tabulated, shows an array of the most celebrated bulls produced by that great breeder, Amos Cruickshank. His mother is an extra milker.

HAMPTON'S BEST—See herd bull reference, page 4.

GODOY—Was a massive red, bred by Col. W. A. Harris and was one of the most widely known Cruickshank bulls of his day. He was got by Imp. Sparton Hero (a son of the great Cruickshank sire Barmpton) and out of Imp. Golden Thistle, one of the largest of all the Cruickshank cows at Linwood when that herd was in the zenith of its glory. Golden Thistle was got by Roan Gauntlet (35284) out of Golden Lady by Champion of England (17256).

VALLEY CHAMPION—A pure Cruickshank bull, bred and used by F. Bellows & Sons. As a calf he was the champion winner over all beef breeds at the Iowa State Fair. He was a bull of substance and wonderful fleshing qualities, and as a uniform breeder of high class stock had few equals. That his blood is breeding on is evidenced by the high character and quality of his descendants, even to the third generation. He was got by the Cruickshank bull, Canada's Pride 2d 73111, by Imp. Aberdeen Champion, by Barmpton 94949 that Mr. Sanders says was undoubtedly the best bull Mr. Dryden ever owned or used.

KING GLAMIS 93198—Red, 1886, sired by the imported Cruickshank bull, Lord Glamis (48192), bred by A. Cruickshank; got by Barmpton (37763) out of Garnish by Royal Duke of Gloster (29864), out of Caroline by Royal Barmpton 94949, also bred by A. Cruickshank, sired by Lord Landsdown (29128), out of Butterfly's Delight by Allen (21172), tracing to Imp. Columbia by Lord Lancaster (20339). The sire of the dam of King Glamis was said to have been the best bull ever owned or used by Hon. John Dryden of Canada.

HAMPTON'S ADVANCE—Is a very deep, thick fleshed Cruickshank. Secret bull of substance and great feeding quality, and can be depended upon to make a great sire.

HAMPTON'S BEST—Has stood at head of the Parkdale herd for four years, and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Short-Horn bull, of his age, whose get have made such a record. (See full pedigree).

MINATOUR 112944—Red, bred by D. Sheehan & Sons, Osage, Iowa; got by Chief Mason 102154, out of Minerva 2d by Duke of Guelders 74063; Minerva by Statesman 1st 77977, Imp. Mina of Canada by Under Sheriff 34023.

DOUBLE GLOSTER 85526—Red, bred by Wm. Magill, Ont., Can.; got by Imp. Prince Bishop 67273 (of Mr. Cruickshank's breeding) out of Duchess of Gloster 23d by Athelstane 7th 65067; Duchess of Gloster by Imp. Framework, tracing to Champion of England, etc. Prince Bishop being of the Duchess Gloster strain of Cruickshanks makes Double Gloster a descendent both by sire and dam of that much prized family of Sittyton Short-Horns. He proved to be a breeder of decided merit.

DUNBLANE 65995—Red. of 1881; bred by A. Cruickshank, Sittyton; sired by the famous Roan Gauntlet 45276, out of Duchess of Gloster 21st by Barmpton Prince 45247 (bred by A. Cruickshank; got by Royal Duke of Gloster (29864), out of Barmpton's Flower by Allan (21172); Duchess of Gloster 13th by Grand Duke of Gloster 19900; Duchess of Gloster 12th by Champion of England (17526), etc.

ROAN GAUNTLET 45276—Roan; by Royal Duke of Gloster (29864), out of Princess Royal by Champion of England. "The mating of the inbred Duke of Gloster with the Champion of England cow, Princess Royal, resulted in the production, in 1873, of the most famous of all the latter day Sittyton stock bulls, Roan Gauntlet." He sired many extraordinary animals, among them the renowned Feld Marshal and the good stock bull Baron Violet (47444), used at Sittyton and sire of Lavender 45th, dam of Imp. Collynie.

NOTE:—Victorallan 2d belongs to what is known as the Marr Roan Lady tribe. Considered from the standpoint of individual merit and rich Scotch breeding we can recommend him to any breeder in quest of a strict-high class bull. It was a mistake when we parted with Victorallan, his sire, in our 1904 sale, although he brought the top price of the sale, \$875. Victorallan 2d is much the same stamp as his sire and combines a splendid head and horn, with lots of size, remarkable smoothness and great substance, with a degree of Short-Horn character and a peculiarly rich pedigree, which makes him a highly desirable bull for any breeder in quest of a high class herd header. He must be seen and carefully examined to be appreciated. We have long prized his mother as one of our most valuable breeding matrons.

VICTORALLAN—Sold for \$875 in our 1904 sale. He was sired by Imp. Victoria's Count 141842, and out of Daisy of Strathallan 13th by Barmpton M 139263. He was a great bull and is proving a great sire.

GARENGANZE 144786 was got by Baron Lenton 68246, out of Imp. Claudia, by Gladstone 51801; Clarrissa by Luminary 52566; Claret 2d by Novelist 52952; Claret by Grand Vizier 66327; Princess Royal by Champion of England (17526).

VENTURE 125247—Bred by S. Campbell, Kinnellar, Aberdeenshire, Scotland, got by Vermont 78225, out of Cecilia 2d by Luminary 54566; Cecilia by Caesar Augustus (25704); Columbine by Sir Walter Scott (22922); Camelia by Lancaster Comet (11663); Cactus by Lord Sackville (13249); Sharon's Rose by Plantagenet (11906); Fancy by Billy (3151).

SIR T. C. BOOTH 110263—Got by British Hero 96392, out of Imp. Rachel by Lord Rose 87708; Ruth by Sergeant Major 61416; Laurel by Earl Marcus 86269; White Rose by Magnus Troll (14880).

HEIR OF ENGLISHMAN 21595—Is the bull that gave the Uppermill herd, of Mr. Marr, the greatest of its early popularity. He was a leading prize winner at all of the national shows of his day, including both the Royal and the Highland. He was used at Uppermill for seven years, and it is doubtful if any bull ever used in Aberdeenshire left a greater impress upon north country Short-Horns. His calves were eagerly sought for on account of their singular uniformity. He was got by Englishman (19701), out of Seraphina 13th by John O'Gaunt (16322).

NOTE:—TOP NOTCHER is exactly what his name implies. He is an exceedingly handsome bull and comes in his superior individual merit by inheritance. For these reasons we consider him in every way qualified to creditably head the herd of any Short-Horn breeder who is earnestly endeavoring to improve his cattle. It is seldom a bull is met with combining size, style, thickness, finish and quality shown by this youngster. He is of show yard character, and any one seeking a junior yearling for the fall shows will find him a desirable bull for the purpose.

SCOTTISH LAD 212208—A red bull, sired by Gloster's Lavender 181755, out of the Cruickshank cow, Modesty, Vol. 40, page 594, she by Champion 106772, and out of Imp. Athene, bred by A. Cruickshank, and sired by Baron Violet 90446, he a son of Roan Gauntlet. Gloster's Lavender was got by our former herd bull, Gloster 137952, and out of the show cow, Lavender Duckess 8th, she by the Cruickshank bull, Lavender King 4th 108682, he by Imp. King of Aberdeen by Barmpton.

LANENDER KING 4TH—A red bull, of great feeding qualities, stood at the head of J. H. Potts & Son's prize winning young herd at World's Fair 1893. Got by Imp. King of Aberdeen 75747, out of Oakland by Imp. Varna 58341; Imp. Lavender 31st by Brampton 45246.

ARMOR BEARER—One of the best breeding bulls F. Bellows & Sons ever bred; he was bred from prize winning stock. His sire was never beaten as a calf and was Champion Junior bull at Iowa State Fair 1890. His dam was also a prize winner at the same fair as a calf. Got by Valley Champion 110477, out of Amelia by Imp. Scotchman (105418). Armeda by Imp. Lord Glamis 48192, Imp. Arbutus by Roan Gauntlet (35284).

**HAMPTON'S VICTOR**—Is a bull from which we expect great results as a sire. He is an undeveloped youngster, but his symmetry and smoothness of conformation, together with his size and quality and his ancestry on both sire and dams side convinces us, that at maturity, he will have to be rated well up as one of Hampton's Best best sons. His half sister, Sharoness of Forest, is the dam of Hampton's Pearl that was exported to South America last year and sold for \$3,880 (American Gold). The highest price ever brought by a Short-Horn female of any age in South America.

**HAMPTON'S BEST**—Has stood at head of the Parkdale herd for four years, and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Short-Horn bull, of his age, whose get have made such a record. (See full pedigree.)

**NORFOLK**—A stylish, thick fleshed buli, and an excellent breeder, by Prince Royal 113305 (a son of the famous Princess Alice), out of Waterloo Duchess 9th by 31st Duke of Airdrie 50831.

**GRAND VICTOR**—Red, Cruickshank's Victorie tribe, got by Imp. Grand Elector 86826; out of Imp. Lady Victoria by Vansgarth (84002); g. d. Victorie 67th by Lord of the Isles (40218); gr g d Victoria 55th by Lord Lancaster (26666), etc. Grand Victor was a smooth, thick, deep bodied, short legged bull, with a wonderful heart girth and plenty of size, style and finish, and as a breeder cannot be surpassed as he imparts his wonderful constitution to his get. His get have been successful in the show ring.

**LORD LOGAN**—"Milwood's White Rose tribe," was by Duke of Sharon 97639 dam, May Logan by 72d Duke of Goodness 62398; g d Olive Logan 2d by Kirklevington Lad 44090, etc. Lord Logan, "a dark red" and a most excellent sire, was a bull with great quality, a very smooth, thick fleshed, heavy quartered bull with a wonderful constitution, "weighing at ten months old 1,000 pounds." He is a full brother to the dam of Grand Rose 4th.

RED BULL CALF—March 5, 1906, by Good Choice, son of Choice Goods.

NOTE:—LADY SALE PRINCESS 6TH shows the results of a blending of the best Scotch and Bates blood. A good likeness of her appears on the opposite page. She is right in every way and we consider her a valuable cow to add to any herd or could recommend her to any one looking for something good with which to start a herd. Her bull calf is a good one and should make a good herd bull for some one. This cow is a big milker.

WOOD DALE VICTOR—Was got by Victorious 121469, one of the greatest beeding bulls of the present day; out of Moss Rose of Hazelhurst 2d by Kirklevington Duke 6th 87442; Moss Ross 21st by 2d Duke of Brant 55479, tracing to Imp. Minna by Bridegroom (11203).

CHIEF VIOLET 4TH—"Cruickshank's Violet tribe," was by Scottish Chief 89317; dam, Rosedale Violet 2d, Vol. 34, by Imp. Chief Justice (73256); grand dam, Imp. Marsh Violet, bred by A. Cruickshank of Sittyton, Aberdeenshire, Scotland. The fact that Mr. Cruickshank owned and bred this family for a period of over fifty years, we think is abundant evidence that he held this family in high esteem.

KIRKLEVINGTON DUKE 20TH—(Bates' Kirklevington tribe) was by Imp. Kirklevington Duke 46385, out of Kirklevington Duchess 4th by 2d Duke of Rowley (28441); grand dam Imp. Kirklevington Lady 4th by Duke of Weatherby 6th (33756).

NOTE:—HAPPY LADY is a broad backed, wide ribbed, short legged heifer. Carries the blood of such bulls as Imp. See her mothers picture on another page.

NOTE—This is a splendid representative of the Scotch-topped Young Mary family. This family has been in good hands, and is, therefore, carefully bred. She is a good individual and a proven breeder of the right kind of calves. Bred to Good Choice.

GAY LADDIE 119293, a red bull, bred by Col W. A. Harris, sired by the Cruickshank Brawith Bud bull, Gallahad 103259, out of Lee Side Nell 6th, she by the famous old bull, Dick Taylor of Glenwood 50737, and on dam's side descends from Imp. Lady Elizabeth by Emperor (1924); Galahad was got by Imp. Master of the Rolls, out of Galanthus, she by the \$1000 bull, Imp. Barbarossa 68197, successfully used in the Ravenswood herd of Capt. Chas. E. Leonard, Bell Air, Mo. Individually Gay Laddie is a bull of great size, fine head, drooping horn, very heavy quarters, and is probably as good an individual as Galahad ever sired. He has been a prepotent and successful breeder, and had he been handled for show, would have been a hard one to beat.

RED BARON 120699, a red Scotch bred bull, descending from the Cruickshank bred cow, Imp. Lady of Shallot, by Dunblane 65995. He was got by 2d Baronet of Linwood 68249, bred by Col. W. A. Harris, and sired by Imp. Baron Victor. The dam of Red Baron, Lady Whiteface, by Imp. Thistle-top 83876, bred by A. Cruickshank.

NOTE—This is a splendidly bred helper, with four top crosses of high class Scotch bred bulls. She is a fine individual, and is well along in calf to our prize bull, Good Choice.

MORNING FLASH 216722, is one of the best bred Missie bulls living. He was sired by the Duthie bred bull, Imp. Sittyton Flash, sired by Golden Flash and out of Syttyton Lavender, she by the fine old bull, Gravesend 98361. The dam of Morning Flash, Imp. Missie May, is a half sister to Mr. Bowen's great show cow, Stella. She was got by Pride of the Morning, a Highland Society champion bull, sired by the noted Star of the Morning, and her dam, Imp. Missie 139th, was by the great William of Orange, one of the best breeding bulls ever used at Uppermill. Below William of Orange appear such bulls as Prince Royal and Heir of Englishman.

SCOTLAND'S CROWN 138994, descending from the famous Clipper tribe that produced so many extraordinary bulls at Sittyton, including Roan Gauntlet, Cumberland and Commodore. Mr. Duthie bought Charm, the ancestress of the Collynie Charmers, of Mr. Cruickshank some years ago and in his hands the sort has well maintained its high repute. Charmer 4th, the dam of Imp. Charmer 6th, was a splendid cow.

PRINCE RUPERT 104945, bred at Linwood and out of one of Col. Harris' best Cruickshank families. Sired by the Imp. Thistle-top 83876, bred at Sittyton by Mr. Amos Cruickshank, out of Princess of Linwood by the renowned Baron Victor, one of the greatest Scotch bulls ever imported.

VICTORIA BARON 105859, got by Imp. Burgomaster 90813, out of Victoria Bride by Imp. Liddesdale 60249; Linwood Victoria by Imp. Baron Victor (45944); Imp. Victoria 63d by Pride of the Isles (35072); Victoria 45th by Caesar Augustus (25704). From the above it will be seen that Victoria Baron descends from the Cruickshank Victoria tribe which was among the top at the great Sittyton herd. His grand dam, Linwood Victoria by the great Imp. Baron Victor, was as good, if not the best, ever bred by that noted breeder, Col. Harris.
